

The MHAP Program

The Metropolitan Housing Access Program (MHAP) is the centralized entry point for housing and emergency financial services for individuals living with HIV/AIDS in the District of Columbia and in Prince George's County, Charles County, Montgomery County, Frederick County and Calvert County in Maryland and Northern Virginia Cites and counties. Administered by Housing Counseling Services (HCS), MHAP is funded by the D.C. Department of Health HIV/AIDS, Hepatitis, STD, and TB Administration (HAHSTA) - a sub-grantee of the U.S. Department of Housing and Urban Development's (HUD) Housing Opportunities for Persons Living with HIV/AIDS (HOPWA) Program and the Health Resources Services Administration (HRSA) Ryan White HIV/AIDS Program (RWHAP).

MHAP offers eligible individuals a comprehensive program of housing services designed to support the short and long term housing needs of persons living with HIV/AIDS through quick access to wide ranging housing programs. Persons in need of services may access MHAP services directly through HCS or request a referral for services through community organizations serving persons living with HIV/AIDS.

MORE ABOUT HOUSING COUNSELING SERVICES (HCS)

In addition to MHAP services, HCS provides comprehensive housing services for all metropolitan area residents. HCS offers counseling, education, training and technical assistance on a variety of housing matters including home purchase, foreclosure prevention, tenancy rights, fair housing, affordable housing preservation, and personal money management.
